## ABOUT US

The Department of Employment, Training & Rehabilitation's Bureau of Vocational Rehabilitation is designed to help people with disabilities become employed and to help those already employed perform more successfully through training, counseling and other support methods.

# The Business Services Team

## Business Services Manager (2) Business Account Manager

Utilizing the services of the Business Services Team benefits Nevada's Employers in the hiring of people with disabilities.

# The Business Services Team

- Business Services Team (BST) works collaboratively with local and national business partners to develop strategies that support businesses who want to build and maintain an inclusive workforce
- The partnerships with public and private sector businesses help to increase awareness of the benefits of hiring individuals with disabilities

# The Business Services Team

Businesses call on BST for:

- No-cost disability awareness training
- In person and online recruitment tools
- Information about hiring incentives
- Job accommodations.

# The Business Services Team

BST also provides;

- Employment information
- Resource materials
- Technical assistance
- Training to the Nevada's Bureau of Vocational Rehabilitation teams statewide, supporting the successful implementation of local employment strategies
